Hello SABA Members,

As discussed at the June 2018 SABA meeting, the Executive Board has introduced a new volunteer policy that aims to ensure that all members involved in volunteer and outreach activities have undergone a California Megan's Law website or National Sex Offender Registry check.

The California Attorney General runs a website (the "California Megan's Law Website") and the US Department of Justice operates a National Sex Offender Registry, both of which provide information on registered sex offenders pursuant to California Penal Code § 290.46 and comparable federal laws so that members of the public can better protect themselves and their families.

The Sacramento Area Beekeeper's Association is a local nonprofit organization that was formed to promote interest in, and awareness of, the vital importance of the honeybee and beekeeping to agriculture, commerce, and the public at large. We strive to accomplish our purpose in a family safe environment and thus reserve the right to check the Megan's Law and National Registry databases from time to time in order to ensure that Directors, volunteers, beekeepers or any person associated with or working with our organization is not a registered sex offender.

By filling in the information in the attached document or the electronic survey, you agree that we may check your name against the Megan's Law and/or National Registry databases from time to time. You further agree to hold harmless and release the Sacramento Area Beekeeper's Association from any claims associated with or related to any alleged right of privacy in such information. Notwithstanding the foregoing, the Sacramento Area Beekeeper's Association has no responsibility or duty to conduct such searches and does not in any way represent or warrant the fitness or expertise of any Director, volunteer, beekeeper or other person associated with or working with our organization.

We appreciate your cooperation in returning your information in a timely manner so that we are able to better partner with the public, other community organizations and continue listing your names on the SABA website swarm list.

If you are unable to complete and return your form or survey within 30 days, your name will be removed from the swarm list and any upcoming volunteer events for which you have volunteered until your information is received and verified.

Thank you!

SABA Executive Board
